Ax Hyland mentioned that often the  
Whited H0-ue- House is taken by surprise  
on CIA Briefings to Hill.  
They should be informed ..

Please set up some machinery to get  
Hill Briefings reported to NSC.

If I brief on Panama for example= a copy of  
briefing paper might go to NSC.

If there are routing Hill requests-- perhaps just a  
summary would be in order. ON Briefing given by  
DCI himself probably need text at W.House-- NOT to  
be edited or commented on but strictly for Information  
of NSC and President.....

Perhaps you should call Hyland or Bud McFarland  
in Scowcrofts office to get mechanics set up- see  
what they feel is needed etc....but their  
request is legitimate and they should be  
informed so if there is a leak from the Hill or  
some question arriving from an OPEN briefing  
they will know what DCI has been saying...

Advise when done..
